About us

We manage supply chains for major brands and retailers all over the world. We have a vast network of Manufacturing units that have been technically and ethically audited in accordance with industry standards.

We are specialized in all Kinds of Woven Bottom, Tops, Knitwear, Outerwear, Workwear, Activewear, Swimwear, lingerie, Hunting and fishing wear.

Our main strengths are commitment, sourcing & desired quality. Almost all the factories we are working with are GOLD, PLATINUM & LEAD CERTIFIED.

We have Experienced and highly Technical Management to execute the product exactly as per the buyer requirements. Quality is our main strength that is why we believe in the long-term relationship.

We have the ability to meet the trend in all aspects of design, quality, and other developments that today's fashion-conscious market desires.

Our Objective is to see an increasing number of connections & cooperation between Bangladeshis and worldwide buyers and sellers through our platform. We are offering our services to business communities free of charge to grow their business. So, keep exploring us !

A company can make things—but it takes a community to change things. We've made it our mission to ensure every member of our worldwide team feels seen, inspired, and empowered. Your PPP Fashion career is more than a job—it's a source of passion and endless possibility.

Our Vision

To provide quality, price-competitive and timely ready made garments to the retail market produced under socially and environmentally responsible conditions.
